Middle English (ME) is a period when the English language, spoken after the Norman Conquest (1066) until the late 15th century, underwent distinct variations and developments following the Old English period. Scholarly opinion varies but the Oxford English Dictionary specifies the period of 1150 to 1500. This stage of the development of the English language roughly followed the High to the ...

Many of the differences between American and British English date back to a time when spelling standards had not yet developed. For instance, some spellings seen as "American" today were once commonly used in Britain and some spellings seen as "British" were once commonly used in the United States.

Abstract: In recent years the Book of Mormon has been compared to pseudo-biblical texts like Gilbert J. Hunt's The Late War (1816). Some have found strong linguistic correspondence and declared that there is an authorial relationship. However, comparative linguistic studies performed to date have ...

Stubbs has provided an impressive work worth serious consideration and discussion. Maybe a reason the response has been so muted is because the work is so large and complex that most people would have to invest a great deal of study in order to be able to evaluate it and talk about it intelligently.
