So I Looked for some Experts But when I went online and to bookstores to find answers to my problems, all the advice out there was terrible. The advice was either by women (let's be honest, they don't know what works on them) or by guys who were overhyping and exaggerating their results so they could charge a lot.

4. Cuts her hair short. Like gaining weight, cutting her hair signals bigger problems. I'm a firm believer that the short haircut in women is a political statement. By willfully removing one of the clearest cues of

femininity, she's showing a huge middle finger at men, in general, and if you happen to be in a relationship with her at you, in particular.
