A master's degree (from Latin magister) is an academic degree awarded by universities or colleges upon completion of a course of study demonstrating mastery or a high-order overview of a specific field of study or area of professional practice. A master's degree normally requires previous study at the bachelor's level, either as a separate degree or as part of an integrated course.

ST JOSEPH'S CATHOLIC HIGH SCHOOL

Student migration is the movement of students who study outside their country of birth or citizenship for a period of 12 months or more. During the period of globalization, the internationalisation of higher education increased dramatically and it has become a market driven activity. With the rapid rise of international education more and more students are seeking higher education in foreign ...
