Laws regulating the practice of homeopathy in the United States vary from state to state. Usually, individuals licensed to practice medicine or another health care profession can legally practice homeopathy.

Homeopathy | NCCIH

For only the third time in the history of the Nobel Prize in Physics, a female scientist/engineer is among those honored for work in the field.

NSTA Journal Article

The meaning of physics in Aristotle. It is a collection of treatises or lessons that deal with the most general (philosophical) principles of natural or moving things, both living and non-living, rather than physical theories (in the modern sense) or investigations of the particular contents of the universe.

Physics (Aristotle) - Wikipedia

The incremental learning derives its name from the incremental nature of the learning process. In incremental learning, all facets of knowledge receive a regular treatment, and there is a regular inflow of new knowledge that builds upon the past knowledge.
