Before you begin. Instructions: Read out each question as it is presented on the screen. Unless specified, each question should be asked only once. Make sure that the patient wears glasses and hearing aids if needed, and that there are no interruptions or noises during testing.

GPCOG | Patient Assessment

A film score (also sometimes called background score, background music, film soundtrack, film music, or incidental music) is original music written specifically to accompany a film. The score forms part of the film's soundtrack, which also usually includes pre-existing music, dialogue and sound effects, and comprises a number of orchestral, instrumental, or choral pieces called cues, which are ...
