

guitar playing made easy pdf

The guitar is a fretted musical instrument that usually has six strings. It is typically played with both hands by strumming or plucking the strings with either a guitar pick or the finger(s)/fingernails of one hand, while simultaneously fretting (pressing the strings against the frets) with the fingers of the other hand. The sound of the vibrating strings is projected either acoustically, by ...

An electric guitar is a guitar that uses one or more pickups to convert the vibration of its strings into electrical signals. The vibration occurs when a guitar player strums, plucks, fingerpicks, or taps the strings. The pickup used to sense the vibration generally uses electromagnetic induction to do so, though other technologies exist. In any case, the signal generated by an electric guitar ...

Stefan Grossman's Guitar Workshop

This is a fantastic DVD full of exercises that will benefit your playing, regardless of whatever style you choose to play. I've adapted many of Tomo's exercises into my daily playing (the rhythm exercises, in particular, are amazing), and the grooves section was really helpful in developing my ability to be able to play various styles, which helps land more gigs (and more gigs = more money).
