1 Overview of the Research Process Learning Objectives By the end of this chapter the reader will be able to: Explain the steps in the research process. Describe the basic components of each step. Use the steps as an organizing mechanism for a research project. chapter Outline I. Introduction

Overview of the Research Process - Jones & Bartlett Learning

Concern about overpopulation is an ancient topic. Tertullian was a resident of the city of Carthage in the second century CE, when the population of the world was about 190 million (only 3% of what it is today). He notably said: "What most frequently meets our view (and occasions complaint) is our teeming population.
