

underground credit card hacking pdf

The Oyster card is a form of electronic ticket used on public transport in Greater London in the United Kingdom. It is promoted by Transport for London and is valid on travel modes across London including London Underground, London Buses, the Docklands Light Railway (DLR), London Overground, Tramlink, some river boat services, and most National Rail services within the London fare zones.

Oyster card - Wikipedia

On April 26 nearly a week after the outage, Sony confirmed that it "cannot rule out the possibility" that personally identifiable information such as PlayStation Network account username, password, home address, and email address had been compromised. Sony also mentioned the possibility that credit card data was taken after claiming that encryption had been placed on the databases, which ...
